Pre-Visit Checklist

Before Your Visit

- **Assemble Chaperones**
  For K-5 tours, please provide 1 chaperone per 6 students.

- **Make Nametags**
  Provide each student with a bold nametag prior to arrival. We will have extra on hand.

- **Review “Prepare for your visit to UMMA”**
  The slideshow and video help students to visualize their visit. Please narrate as needed.

- **Create Small Groups**
  Please divide your class into smaller groups in advance. When confirming, UMMA will let you know how many groups to form. Each group will most likely have about 5-7 students in it. You know your students and which pairings will be most successful. If you aren’t able to choose small groups in advance, the Docent Guides will do this at the beginning of the tour.

- **Communicate Accommodations**
  ASL and Cart services available with at least two weeks notice. Please reach out about amplification, translators, or individual aides.

- **Plan Lunch and Snacks**
  UMMA does not have a dedicated lunch space for K-12 tours. The Michigan Union across the street offers fast food options, and many restaurants are located on South University or State Street. If the weather is nice, students could eat outside on benches on the diag near Hatcher Graduate Library.

- **Review Museum Guidelines**
  - Art is special. Please protect it by looking and not touching.
  - Galleries and restrooms are accessible by wheelchair and strollers.
  - Wheelchairs are available.
  - All-gender restrooms available on Floor 2. Changing tables available on Lower Level.
  - To protect the art, no food or drink are allowed in the galleries.
  - We will provide tour supplies (pencils, paper), so backpacks should be left on the bus.
  - Photography is allowed. No flash or video please. We encourage students to be fully engaged without phones during tour discussion.
Pre-Visit Checklist

Transportation

It is not safe to unload on State Street. Please share this drop off location map with your bus driver.

Buses may not park at this location during the tour. Please proceed south on State Street to Briarwood Mall parking lot and then return when the visit concludes to pick up at the same location on South University Street.

AATA Public Bus

Routes 4, 5, and 6 drop off in front of the museum. To ensure accurate up-to-date maps and routes, please consult The Ride website and plan your trip.
Pre-Visit Checklist

Day of Your Visit

- **Entrance Procedure**
  Enter through the accessible door next to the large white head sculpture (*Behind the Walls*, by Jaume Plensa). You will find a check-in desk and lobby area by the Museum Shop. Restrooms are on the Lower Level. Please arrive 10 minutes early to allow for bathroom breaks and hanging jackets.

- **Check In**
  Please attach nametags to children and break into groups. We will have extra nametag stickers on hand.

- **Take COVID Precautions**
  Per University of Michigan policy, masks are optional inside U-M buildings. Some tour guides may choose to wear a mask.

After Your Visit

- **Complete Bus Reimbursement**
  If you were notified that you qualify for bus reimbursement funds, please complete the necessary steps that were shared with you when you confirmed your guided tour. Various school districts have different processes. Questions? Reach out to Grace VanderVliet (mdegroo@umich.edu).

- **Complete Tour Reflection Form**
  You will be sent a brief survey asking you to reflect on your visit. Thank you for taking five minutes to complete it! What made an impact on students? What might they remember about the tour? Your feedback truly matters and shapes our future tours.
